Your Very Best Source for Networking Cables and Accessories

West Penn Wire (WPW) designs and manufactures wires, cables, harnesses and related products and accessories for small, mid-size and Fortune 500 companies worldwide, as well as for audio, video, security and networking applications in these environments:

> Corporate
> Entertainment
> Government
> Healthcare

> Higher Education
> Hospitality
> Houses of Worship
> Retail

The company's engineering and manufacturing excellence enables customers to obtain solutions that meet the most demanding requirements for audio, video, security and networking applications.

To help meet customers' wire and cabling needs, WPW also offers value-added services, including:

> Testing for Continuity & Workmanship
> Custom Labeling (barcodes, logos, private labeling)
> Special Packaging
> Custom Kitting

With distribution centers located strategically throughout the country, WPW products can reach customers' places of business or jobsites quickly. WPW was established in 1971 and is based in Washington, PA, near Pittsburgh. It is part of the Belden group of companies (NYSE:BDC).
