4 RU Rack Mount Panel 12 Slots

PRODUCT OVERVIEW	-
Product Description	4 RU Rack Mount Panel 12 Slots
Product Overview	Wirewerks' rack mount panels are fabricated from sheet steel and fin shed in a light textured black powder coat fin sh. These panels are compatible with standard 19" and 23" equipment racks and are designed to accept Wirewerks adapter strips and splice trays or distribution modules. Faceplates incorporate contrasting color identifi ation labeling. All of the panels include fiber management features for slack management of incoming cables and patch cords. The 1U panels accommodate 3 strips or modules (up to 72 fibers); the 2U panels accommodate 6 strips or panels (up to 144 fibers) and the 4U panels accommodate 12 strips or modules (up to 288 fibers). APPLICATIONS: CATV Data Centres Telecommunications or Equipment Room LAN, WAN and SAN FTTx Industrial Control Systems
Package Qty.	1
